

SAFETY

FIRST!

**Always speak quietly on the bus. Do not
scream or yell.**

**Ask the bus driver before you open the window.
Do not stand or climb on the seats.**

**Do not throw anything inside the bus
or out of the window.**

**Sit down right away and stay seated on the
bus.**

Keep everything out of the aisle.

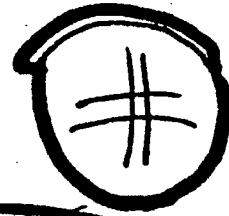

**Wait for the bus in a safe place-
away from the road**

**If you drop something near the bus
never stop to pick it up.
Ask your busdriver for help.**

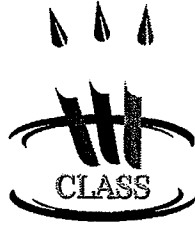

HOOOL BUS

**Wait for the bus driver's signal
before crossing the street.**

**Always hold the handrail when
getting on or off the bus.**

For over 19,000 students in the Chatham-Kent and Sarnia-Lambton area, the school day begins and ends with a ride on a school bus. Help keep your children safe by making sure they know how to behave on the bus and by fostering respect for bus drivers. **Go over the safety rules** presented in this coloring book with them. If you begin safety education at home, your children will have a better chance at being safe when they're away from you.
